

Federated Garden Clubs of Maryland, Inc. Photography Award Application - rev Jun2011

- Any member of a Federated Garden Clubs of Maryland, Inc. member Club may apply.
- Applicant must be the photographer and may submit only one photograph per Award per year.
- Previously published photographs are not acceptable.
- Submit application with 5 X 7" color photograph affixed to the reverse side. Photograph may be in horizontal or vertical format. Completed application in a plastic sheet protector must be received by applicant's District Awards Chairman by November 1st. Entries judged by special committee.

Select one:

Annette Richter Award - For beauty of a native vine, shrub or flower as expressed through photography; close-up shot preferred. An award sponsored by former FGCMMD President Annette Richter will be presented to the winner. Any native vine, shrub or flower is eligible, preferably grown by the photographer. **Provide botanical name of the subject native plant and its location, and briefly describe growth habits and cultural needs that may be of interest to a future grower:**

District Director's Award - For beauty of flower, fruit, or leaf formation of a tree or shrub as expressed through close-up photography. An award sponsored by the five District Directors will be presented to the winner. Any tree or shrub is eligible, preferably grown by the photographer. **Provide botanical name of the subject tree or shrub and its location, and briefly describe growth habits and cultural needs that may be of interest to a future grower:**

Harry C. Reynolds Award - For beauty of tree or shrub in overall silhouette as expressed through photography. An award sponsored by the Gardening Study Consultants Council will be presented to the winner. Any tree or shrub is eligible, preferably grown by the photographer. **Provide botanical name of the subject tree or shrub and its location, and briefly describe growth habits and cultural needs that may be of interest to a future grower:**

Mary F. Fitzpatrick Award - For artistic excellence in flower arrangement as expressed through photography. An award sponsored by Judges Council will be presented to the winner. **Applicant must be both the photographer and arranger.** Any type of flower arrangement, alone or in any setting including those for show or for personal use, is acceptable (try to have a plain background for ease of viewing the design). Remove cards and award ribbons if a Flower Show design. **Briefly describe container, accessories, mechanics, background and plant material used in the design (artificial flowers/foilage prohibited):**
