# Talbot County Garden Club to Host Gala Garden Symposium May 2027

(Easton, Maryland: *For Immediate Release*) Talbot County Garden Club is gearing up for its next extravaganza – the 2027 TCGC GARDEN SYMPOSIUM. This biennial event combines fabulous speakers, elegant fare and sheer fun. It will take place on May 4 at The Oaks Waterfront Hotel in Royal Oak, Maryland.

Entitled "Cultivating Beauty from the Outside In," this event will give attending garden enthusiasts an exceptional opportunity to hear from two leading voices in the world of gardens and home décor: horticulturalist, garden designer and author **David Culp** and FLOWER Magazine founding editor and renowned author **Margot Shaw**.

The event will also offer boutique shopping with unique vendors, a silent auction of collected treasures, book signings, and a delectable luncheon in the Oaks' beautiful waterfront setting enhanced by hallmark floral displays created by talented garden club members. Plein Air artists with available artwork will provide a wonderful addition to the day.

Tickets to the event will be offered in January and generally sell out quickly. *Watch for word!* Proceeds from event sales, ads and sponsorships yield revenue for important Talbot County Garden Club-supported community programs. These include maintenance of four community gardens; garden-themed outreach to Talbot Hospice, Talbot Interfaith Shelter, Young Gardeners, Meals on Wheels, and YMCA's Tandem and Adults Living with Disabilities programs; grants for special greenery installations; free garden lectures open to the public; festively decorated holiday greens for Easton public sites; and the biennial Talbot County Tour (MHGP) whose proceeds benefit local historic sites.
